

A SHELBY SYSTEMS BUSINESS PARTNER

Hi my name is: \_\_\_\_\_ with **Networks Connect, Inc.**

May I speak to: \_\_\_\_\_

(If admin is not available you can ask for the person who works with the Shelby Membership or Prospects programs)

I just wanted to let you know about the product called Shelby **WIZARD** Training CD. It was created and designed by Dave Hoffman of Networks Connect, a **Certified Shelby Trainer** with 15 years of Shelby training experience. Dave has learned a lot of tips and tricks in that 15 years as a **Certified Shelby Trainer**.

The Shelby **WIZARD** Training CD covers **ALL** of the **Membership and Prospects Reporting**. We start with the basics: **STEP-BY-STEP Instructions** on how to building, modify & run reports all the way to the advanced features like exporting to the Palm Pilot, exporting to Excel, running custom reports, Microsoft Word Merge.

You get detailed instructions on:

- **Profiles** – Setting them up correctly, changing from an old profile to a new profile name, and then tips & tricks on running reports on the profiles.
- **Shelby COMMUNICATOR** – We'll show you how to do the mass emails to the people that have email and then set it up to create labels for the people who do not have emails.
- **AND SO MUCH MORE - Ad what you want here.**
- **We'll take the guesswork out of the membership reporting.**

**You will not pay anything up front, we ask that you let us send it to you for 30 days. We want you to look it over so you can make an Informed Decision about the Shelby WIZARD CD and also show it to others if you need to get approval.**

**The Cost Is \$79.00 for 3 CDs**, what we try to do is have The Shelby WIZARD CD per department and that way they can just pop it in when they are struggling with the Membership Reports. (\$15.00 per CD after 3)

- **AT THE VERY LEAST YOU OR YOUR STAFF WILL LEARN A LOT OF TIPS & TRICKS ABOUT THE MEMBERSHIP & PROSPECTS REPORTS.**

**Can I send it to you? – NO COST, NO WORRIES?????**

**GREAT!!!!**
